Hi Rob,
I'm working on our endorsement of Prop 64. I'm wondering how Prop 64 affects LA – given Prop D and the city's various challenges with medical marijuana. Could Mike or someone else in the office talk – on background, not for attribution? Just want to make sure I'm not overlooking important LA issues.
Thanks.

Hi Kerry:

Here is a report to Council which should help you on this subject. Let me know if you still need to speak to someone.

Thanks. I will take a look.

AND, on another topic, what is the status of the lawsuit against SoCalGas? This is the suit the city filed and the AG joined.

Thanks

Ok. I assumed so. Should I call AG's office for more details? Are they the lead now?
Thanks

The private plaintiffs have filed their master complaints and all government bodies have filed their complaints as well. SoCalGas' responsive pleadings to the private plaintiffs must be filed by 10/24. SoCalGas answer to our complaint is due Sept. 22nd.

Thanks. What happens after SoCalGas responds to the government's complaint? Is there an estimated trial date? Thank you
